

# NABBA Hawkes Bay Show Report 2012

2012 brought nearly double the amount of competitors to the NABBA Hawkes Bay show, with nearly 60 competitors. What a fantastic show! The combination of the shows sponsors, the helpers, the competitors, the judges and of course the audience made this show beyond a doubt the most friendly, relaxed and fun event ever held here at Hawkes Bay to date.

A huge THANK YOU to our show sponsors, The Thirsty Whale, PMA, Charlie Hill, BK Fountain Court Hotel, NBE, Suck it up Sissy, Colour Fast, ASN, Wiseys Bakery, Bay City Gym and Muscle Imaging. We appreciate your support. It wouldn't happen without you!

We would like to thank all the competitors for their hours of hard work and dedication they have put into providing the Hawkes Bay show with such a high calibre of athletes. You certainly entertained and inspired the audience throughout the day and night shows.

We would like to thank the audience not only for coming to support their friends and family but for showing support to all the athletes. There is nothing better than an enthusiastic, vocal and responsive audience!

A Huge THANK YOU to all our fabulous helpers. Shane Gibson who was on the mic made the evening show run smoothly and on time. Thank you to the ASN boys, Lawrence and Bijorn for presenting the prizes, you did an awesome job! Also a thank you to the rest of our helpers, we really appreciate the time you gave to help us provide a quality event for the athletes and audience.

The competitors created some hot competition for the judges and we would like to congratulate them all. But there has to be winners and we are pleased to congratulate a fine line up of overall winners.
