

NABBA Hawkes Bay Show Report

2014

The NABBA Hawkes Bay show was the biggest yet and a sell out night show topped it all off! The level of athletes was spectacular across all the classes, all your hard work, dedication and determination paid off! The show ran very smoothly and this we credit the helpers, judges and the athletes. Thank you all for choosing the Hawkes Bay show. We really appreciated your consideration and respect that you all showed to each other and the school, this made back stage a fun and relaxed environment for everyone. To all the novice athletes we hope to see you up on stage again soon! There were some great battles on stage for both class titles and for the overall winners. The overall winners were:

Ms. Physique Hawkes Bay Giselle McArtney

Mr Athletic Hawkes Bay Irshad Ali

Ms. Figure Hawkes Bay Sarah Malthus

Mr Physique Hawkes Bay Steven Forward

Ms. Shape Hawkes Bay Tracey Coyle

What a great atmosphere rocking the hall at the night show! This was due to the fabulous audience who were very supportive and appreciative of all the athletes hard work. There were some great routine performances from the athletes and the best routines went to Irshad Ali and Sarah Malthus. The cheering and applause given from the audience was greatly received from the athletes Thank you!!

We would like to thank our major supplement sponsor Hyperstrength. Please visit their link and show your support.
